

## MICHAEL PAPANEK CONSULTING

### Lead with Resilient Relationships

Michael Papanek is Principal and Founder of Michael Papanek Consulting. With more than 30 years experience leading high-performance teams, Michael has deep expertise leading successful large-scale change initiatives and increasing the performance of people and organizations in complex, competitive markets.

Mr. Papanek has particular expertise in implementing large-scale change, building high-performance leadership teams, executive coaching, accelerated leadership development and team facilitation. Michael works with leaders to increase organizational resilience and create measurable improvements in leadership performance, by providing practical tools and strategies for successful change, healthy conflict and disruptive innovation.

Michael is the author of the book: *"From Breakdown to Breakthrough: Forging Resilient Business Relationships in the Heat of Change"*, Morgan James Publishing, 2017. It contains interviews with top Silicon Valley leaders on the best practices for building organizational resilience and leading change.

Prior to founding Michael Papanek Consulting in 2008, Michael was a partner, principal consultant, board member, and account executive at Interaction Associates; and last served as their General Manager of Learning Innovation. Before joining Interaction Associates in 1992, Michael worked for eight years as a systems engineer and project leader implementing IT driven change at Electronic Data Systems (EDS).

Michael is certified as a Master Trainer in workshops for Coaching, Leadership, Teamwork, Facilitation, Strategic Thinking, Conflict Resolution, Change Management and Organizational Development. Michael is also certified in The Nine Doors™ and the Realise2™ leadership assessment systems and trained in ICF methodologies for coaching.
